Submittal Requirements Update – October, 2006

The Land Development Manual Volume 1, Chapter 1, Project Submittal Requirements have been updated. The new version will become effective on October 30, 2006. Submittals prepared using the February 2006 version of the Project Submittal Requirements will be accepted up to the effective date.

A copy of the revised version of the [Project Submittal Requirements](#) can be found at our web site: www.sandiego.gov/development-services.

Highlights of changes to the submittal requirements include:

- Submittal requirements for Row-homes have been changed to include electrical and mechanical plans and have been moved from section 2-A to section 2.
- Self Certification for Completeness Reviews program has been expanded and is available for Final Maps and Parcel Maps. [Information Bulletin 518](#) [Self Certification for Completeness Review] has been revised.
- Additional items have been added to the contents of the Building Conditions Report per ordinance 144.0504 and 144.0507. Submittal Guidelines section 4 and section 5.
- [Information Bulletin 515](#) [Geotechnical Study Requirements] has been revised.
